

Six Sigma Training Material

Save time by buying material from the experts

Your Lean Six Sigma Partner
...providing practical solutions for you

Six Sigma Training Material

Paloma Consulting Limited is a specialist provider of Six Sigma training. We also sell Six Sigma training material both off-the peg and bespoke for the following courses:

- Black Belt
- Green Belt
- Champion
- Foundation Awareness

Plus:

- Individual topic modules

Tailor made or off-the-peg Six Sigma Training Material?

Paloma Consulting Limited has developed a suite of high quality Six Sigma training material for purchase to enable you to commence internal training without delay.

Alternatively, training material can be tailored to your specific requirements. We have extensive experience of writing Six Sigma Black Belt, Green Belt, Champion and Foundation training material that is tailored to clients' needs. Several organisations in retail, call centre, logistics, transportation, financial services, utilities, aerospace and local government have asked us to develop training modules and examples that relate specifically to their industry. We can do the same for you.

Why buy Six Sigma Training Material?

Several clients have commissioned Black Belt, Green Belt, Champion and Foundation Awareness training material. They either did not have the capacity, expertise or time to develop suitable material internally.

We sell material to assist organisations that already have experienced Six Sigma trainers but have no time to write training material and need to train and mentor internal practitioners.

Typical content of our Black Belt training material

Define and Measure phase

Six Sigma Overview
Customer Focus & CT trees
Problem Statements/Objectives
Project Metrics
Cost of Poor Quality (COPQ)
Pareto Charts
Process Mapping
Introduction to Data
Basic Statistics – Variable & Attribute
Data Collection
Control Chart Basics
Measurement Systems Analysis
Capability Analysis – Variable Data
Capability Analysis – Attribute Data

Analyse Phase

Review of Define/Measure
Cause & Effect Diagram
Cause & Effect Matrix
Failure Modes & Effects Analysis (FMEA)
Multi-vari Charts
Central Limit Theorem
Confidence Intervals
Hypothesis Testing of Means, Variances and Proportions
ANalysis Of VAriance (ANOVA)
Correlation and Regression
Power & Sample Size

Lean Training Material

Paloma Consulting Limited is a specialist provider of Lean training. We also sell Lean training material both off-the peg and tailored to clients' needs for the following courses:

- Lean Foundation
- Kaizen Workshops
- Individual topic modules

Tailor made or off-the-peg Lean Training Material?

Paloma Consulting Limited sells Lean training material to organisations who may have trained internal Lean practitioners but do not have the time, capacity or expertise to develop their own Lean training material.

We have developed a suite of high quality Lean training material for purchase to enable you to commence eliminating waste without delay.

Alternatively, Lean training material can be tailored to your specific requirements. Paloma Consulting Limited offers a Lean training material writing service tailored to clients' needs. We are able to use our extensive experience in organisations as diverse as automotive, aerospace, retail, financial services, engineering, chemicals and electronics to tailor modules and examples that relate to specific industries.
